Civil Action No. 3:21-cv-00484-FJS-ML

Dear Judge Lovric.

Discovery has been completed for the above-referenced matter and the revised scheduling order has been received.

In my view, the liability and damages in this case are indisputable. During the first mandatory mediation, the County was not fully engaged because of the lack of discovery. The depositions now establish, in my view, indisputable liability. I would be willing to participate in a second mandatory mediation, but only if the County is serious about its exposure and embraces an opportunity to settle this claim.

Respectfully submitted,

Edward E. Kopko
